THE SCHOOL HAS NO CATALOG

THE school does not publish a catalog. This special issue of the school paper, THE ARCHON, is designed not only to replace the usual school catalog but also to provide a more intimate and complete picture of the life of the Academy.

The school will be glad to send additional copies of this booklet to you or to other persons who may wish to secure accurate, up-to-date information about Governor Dummer.

The usual format, appearance, and arrangement of the school paper have been preserved; the text and most of the photographs are reprinted from the regular issues published during the school year 1940-41. The remainder of the photographs are reprinted from the current issue of *The Milestone,* the school year book.

An appendix on the last two pages contains a complete list of trustees, masters, and students of Governor Dummer Academy for the school year 1940-41.

EXCEPTIONAL RESULTS SECURED IN COLLEGE BOARD EXAMINATIONS

In June, 1940, Governor Dummer had nine candidates for admission to college under Plan B ("New Plan"). All of these boys secured admission to the colleges of their choice—five entering Harvard two entering Yale, and two entering Princeton. These boys secured in individual examinations four "honor" grades and two "highest honor" grades.

In addition, the school had four Plan A ("Old Plan") candidates who took a total of twelve individual examinations, receiving two failing grades, six passing grades rated as either "fair" or "good", three "honor" grades, and one "highest honor" grade. These grades are interpreted in accordance with the current Harvard rating sheet.

ACADEMY OPENS FOR 178th YEAR WITH ENROLLMENT OF 146 BOYS

School opened on September 19 with an enrollment of 116 boarding students and 30 day boys, comprising a total number of 146.

The geographical distribution of the boarding students is nation-wide. Of the 116 boys Massachusetts has the largest representation from any one single state with a total of 54 boys. New York state comes second with 17, while Maine is third with 11. New Hampshire follows with 7, New Jersey and Illinois with 4, and Florida, Connecticut, and Pennsylvania with 3.

Seven states have one representative here at school, namely Vermont, South Carolina, Michigan, Indiana, Ohio, Minnesota, and California. Boys from four foreign countries are also included on the roster, for England, Colombia, Mexico, and Switzerland each have a representative.

In all, sixteen states are represented by boarding students, while eleven towns are represented by the 30 day scholars.

DEDICATION EXERCISES FOR ROOMS MARKS OPENING OF NEW BUILDING

On Alumni Day the official opening of the completed New Building was marked by the dedication of two of the rooms. The dining hall was named the William Jacob Room and the living room the Philip Cobb Room. As these two rooms were named in honor of former teachers of the school, it was felt that Alumni Day, when many of the students and friends of the two men were present, was the most appropriate time for the dedicatory exercises.

The third main section of the building, the entrance hall, was dedicated at Commencement time to the memory of the Reverend Carroll Perry.

The ceremony in connection with the naming of the William Jacob Room took place at 4:45 o'clock on the afternoon of Alumni Day. At that time an address was given by Dr. Rufus M. Jones, professor-emeritus of philosophy at Haverford College.

TWO NEW MEMBERS ELECTED TO ACADEMY BOARD OF TRUSTEES

At the last meeting of the Board of Trustees on September 14 two new men, Mr. Marshall B. Dalton and Mr. William S. Nutter, were elected to membership on the Board.

Mr. Dalton is the President and Director of the Boston Manufacturers' Mutual Fire Insurance Company. He is also the director of a number of other insurance companies and banks, among them the Merchants National Bank and the Boston Five Cents Savings Bank.

Mr. Dalton is a member of the Corporation of the Massachusetts Institute of Technology and is a member of the Fellowship Committee of the American Unitarian Association. He has been active in civic affairs and is now serving as director of the Boston Chamber of Commerce and as trustee of the Newton Hospital. His home is in West Newton.

Mr. Nutter, who was the inventor of Palm Beach Cloth, is the Vice President of the Goodall Worsted Company in Sanford, Maine. Mr. Nutter is recognized not only as a leader in industry, but also fully as much for his keen interest in youth and in education. He has taken special interest in the work of the Boy Scouts, in the public schools, and in the University of Maine, of which he is a trustee. In 1939 Bowdoin College conferred upon him the degree of Master of Arts. Mr. Nutter's home is in Sanford, Maine.

SCHOLARSHIP GIVEN TO SCHOOL IN MEMORY OF RICHARD FRANCIS

At the evening meeting on Alumni Day Mr. Eames announced that the school had been given the gift of a scholarship by Mr. and Mrs. Clarence Francis in memory of their son, Richard Hawes Francis of the Class of 1936. Francis, who was one of the outstanding boys in his class here, was killed in an automobile accident in California.

The gift is to be known as the Richard Hawes Francis Scholarship and is to be given each Commencement to "a senior of high character, who has made substantial intellectual progress and who has demonstrated a spirit of cooperation and helpfulness during his school life."

At the Senior Sing Joseph Attwill Oates of Lynn was announced as the recipient of the scholarship.

WILLIAM A. DAVISON

English exchange student.

WILLIAM DAVISON COMES HERE AS ENGLISH EXCHANGE STUDENT

William A. Davison of Bromley, Kent, England, was the English Exchange student here for the past school year. He came across in October on board the H. M. S. Samaria, having attended the Felsted School in Essex. There he was one of the School leaders, being Vice-Captain of the School, a school Prefect, and a fine athlete, having won his colors for rugby, cricket, boxing, and fives. He was also an honor student.

Before leaving England he went through 112 air raids both in London and in Liverpool and he has an intimate knowledge of wartime conditions. He has, therefore, been much in demand throughout the year as a speaker on his experiencs and on wartime England.

MORE BRIEFLY

The evening school meeting on Saturday, January 18, was featured by a talk given by Ulysses Lupien, former Harvard baseball captain. Lupien is now playing professional baseball and he was a member of the Red Sox during the latter part of the last season. He entertained the school by relating some of his experiences as a rookie in the big leagues and his contacts with the big league stars.

CUM LAUDE SOCIETY INITIATES TWELVE MEMBERS AT BANQUET

Twelve new members were installed in the Governor Dummer Cum Laude Society when the annual banquet was held Friday evening, May 9. This group represents the largest that has ever been taken in since the establishment of the Society here at the Academy, and it was comprised of the following boys: Lester R. Ackerman, William A. Davison, P. Peter Hill, Harold A. Knapp, Jr., R. Andrew Little, James Monroe, Jr., Paul S. Morgan, William H. Noyes, Henry K. Skeele, S. Cushing Strout, Norman C. Tronerud, and Robert E. Urie. The election to the scholastic honor society of the school was recognition for receiving the best general scholarship record in the senior class.

The dinner was held in the New Building at 7 o'clock and was followed immediately by the installation of the newly elected members in the Library. Mr. James Duncan Phillips, President of the Board of Trustees, gave the charge to the initiates and Secretary Oliver Andrews presented the badges.

The guest speaker of the evening was Dr. Henry Phillips, Instructor in Greek at Phillips Exeter Academy.

DEDICATION EXERCISES

(Continued from Page 3)

A tablet was placed in the dining room bearing Mr. Jacob's name and an inscription. Mr. Jacob was a teacher and officer of the school from 1930 to 1938.

The dedication of the living room was directly after the evening meeting, the first official school assembly to be held in the new wing. The room is named to honor the memory of Mr. Philip Hacker Cobb who was a teacher at the Academy from 1933 to 1938. It is especially appropriate that the name of Mr. Cobb should always be connected with the New Building, since it was largely through his enthusiastic support and advice that the original boys' campaign was organized six years ago, which resulted in the present dining hall wing.

The dedicatory address was given by Dr. Kenneth C. M. Sills, president of Bowdoin.

The entrance hall of the new unit was dedicated June 5, when the exercises took place after the Senior Sing. The hall was named the Carroll Perry Room in memory of the Reverend Carroll Perry, who was a trustee of the school from 1931 to 1937.

Dr. Lewis Perry, Principal of Phillips Exeter Academy, delivered the address.

DIPLOMAS AT 178th COMMENCEMENT GIVEN TO GRADUATING CLASS

Mr. James Duncan Phillips, President of the Board of Trustees, presented diplomas this morning to the seniors and postgraduate students of the Class of 1941 at the graduation exercises which marked the 178th commencement of Governor Dummer Academy. The Reverend Boynton Merrill of the Second Church in Newton, West Newton, delivered the address to the graduating class.

Headmaster Edward W. Eames awarded the commencement prizes, the most coveted of which, the Morse Flag and the Master's Prize, went to John D. Eshelman of Lancaster, Pennsylvania, and to David T. Goodhart of Syracuse, New York, respectively.

RECENT GIFTS AND ACQUISITIONS BOOST LIBRARY VOLUMES TO 3000

Mr. Freiday of the faculty has been appointed school librarian to succeed Mrs. Kirk, who held that position for a number of years. Under Mrs. Kirk's excellent direction the Academy library doubled in number of volumes and was catalogued under the Dewey decimal system.

Occasionally throughout the school year Mr. Freiday plans to distribute to the student body a library bulletin discussing new acquisitions. The bulletin will not only contain general information on new purchases and gifts but will also have comments on outstanding new books.

To further the training of the students in the use of a library, some of the faculty wives and masters have volunteered this year to be present in the library at times when it is most commonly used and to give help in teaching the boys the correct use of the cataloguing system and of the reference books.

The acquisition of a number of gifts of books has brought the total number of volumes in the library up to about 3000. By the will of Mr. George Noyes Whipple of Boston and Manchester a large number of books selected from his private library were received. By the bequest the school was allowed to choose any books which it desired and which it believed were valuable as additions to the school library.

There have been recent other gifts by Mr. James Duncan Phillips, Mr. Benjamin Pearson, Mrs. Bent, and Mr. George Croston.

PARSONS SCHOOLHOUSE REBUILT DURING SUMMER VACATION

During the summer the Parsons Schoolhouse, which was damaged by fire a year ago January, was completely rebuilt and was ready for use when school opened. On the ground floor and large classrooms with the most modern equipment. Each has unusual blackboard space, semi-indirect lighting, and air-conditioning.

On the second floor the old study hall has been changed into a class room primarily for biology, the front portion of the room containing seating facilities for about twenty-five boys, the rear space being occupied by tables for laboratory work.

The exterior of the building remains in its original form, except for the fact that the chimney which was formerly at the rear has been moved to one side and an iron fire escape stairway has been added behind one of the wings.

FOOTBALL, SOCCER TEAMS HONORED AT ANNUAL CHRISTMAS DINNER

Governor Dummer Academy's annual Christmas Dinner, held in honor of the football and soccer teams, took place December 17 in the Lang Gymnasium. Head football coach Arthur W. Sager announced that Robert A. Pickett of Cooperstown, New York, had been selected by the lettermen to lead the eleven next Fall, and Mr. Howard J. Navins, soccer coach, reported that David S. Jarvis of Worcester had been elected captain of the soccer team.

The Toastmaster of the Dinner was Mr. Herbert A. Pickett, father of the new football captain. Mr. Pickett, Headmaster of Cooperstown Academy in Cooperstown, New York, was himself an outstanding athlete.

The feature speaker of the evening was Mr. William J. Bingham, Director of Athletics at Harvard College. Mr. Bingham is one of the best-known of the college athletic heads in the country. Through his work the famed intramural system at Harvard was instituted and he was responsible for bringing Dick Harlow to Cambridge as football coach.

Mr. Eugene S. Wilson, Alumni Secretary at Amherst, also spoke on the program. Mr. Wilson while at Amherst starred in football and baseball, being captain of the latter sport.

SIXTY-FIVE COUPLES ATTEND MILESTONE'S ANNUAL DANCE

Sixty-five couples attended the annual spring dance for the benefit of the *Milestone* on Saturday evening, May 24, to make the affair the largest ever held here at the Academy. The dance was also the first to be held in the new Cobb Room.

Although the baseball game in the afternoon with Moses Brown School was rained out, many of the boys and their guests attended the lacrosse game with Deerfield Academy and the track meet with Kimball Union. After the athletic contests a tea dance was held in the Cobb Room.

Dr. Storer P. Humphreys of the Class of 1922 was announced on Alumni Day as the winner of the Alumni Prize awarded annually to a graduate who has brought distinction both to himself and to the school by his work after leaving Governor Dummer. Dr. Humphreys is well known in medical circles as a specialist in brain surgery. THE WORLD OF BOOKS

Hanging on the wall of the Noyes Library is a framed copy of the following quotation:

"The world of books is the most remarkable creation of man; nothing else that he builds ever lasts. Monuments fall, nations perish, civilizations grow old and die out and after an era of darkness new races build others. But in the world of books are volumes that have seen this happen again and again and they live on still young, still as fresh as the day they were written, still telling men's hearts of the hearts of men centuries dead."

—*Clarence Day.*

Clarence Day states the value of books in terms no man can deny, and the quotation is a challenge to all who read it to avail themselves of the unlimited opportunities offered by the world of books.

The library of any school is one of the most important parts of that school, and it is up to the boys to realize its values. Here at their very finger tips are tremendous sources of knowledge and pleasure, sources which must be tapped if they are to make the most of the education which is being offered to them.

Here at Governor Dummer the school has gone to great lengths to encourage and aid in the use of library books. Early in the fall the entire library was recatalogued to make it more workable.

Much effort is being made to make the school conscious of its library. Once a month a library bulletin discussing recent acquisitions is being distributed, and the BOOK FAIR served to show the latest and best of current publications.

With such an opportunity at hand to become acquainted with books, which, as Clarence Day has said, are amongst the few lasting creations of man, it is a grave error on the part of anyone not to use the library either for pleasure or for supplementary knowledge.

CHURCH AND SCHOOL LEADERS SPEAK AT SUNDAY VESPERS

CAPTAIN BRUCE KING KEEPS PACE WITH THE LEADERS IN THE HIGH HURDLES RACE AGAINST DEERFIELD ACADEMY

MISSED EXTRA POINT SPELLS 7 TO 6 DEFEAT FOR GOVERNORS

For the second straight year failure to kick a point after touchdown meant defeat for Governor Dummer in its climactic encounter with Deerfield. In losing 7 to 6 at Deerfield on Friday, November 15, the Governors played a game almost the exact counterpart of last year's struggle. Outplaying their heavier opponents throughout the first half, the Red and White were worn down in the later stages.

Late in the first period Guy Nichols ran a punt back to Deerfield's 48 yard line and two plays later Fred Jellison received a pass from Captain Whittles, advancing the ball to the 15 yard line before being dropped. Nichols and Bob Pickett then took over and pushed the ball to the three yard line, with Pickett covering the remaining distance with a bull-like charge through the center of the Deerfield line. The try for the point, however, was swarmed under.

It was only the brilliant backing up of center Clay Currier which held the home team back in the third period. In the last quarter Deerfield maintained control of the ball and after advancing into Governor Dummer territory, Moakler staged a spectacular 40 yard end-sweep for a touchdown with but five minutes of the game remaining. Mills was then substituted and made good the winning point.

GOVERNOR DUMMER SOCCER TEAM OUTPLAYS TABOR ACADEMY 3 TO 0

Tabor Academy became a victim of the Governor Dummer booters when it was outclassed 3 to 0 on Whipple Field on November 9.

The Governors played an excellent team game as they outpassed and outdrove the visitors. Dave Jarvis opened the scoring in the first period as he beat the Tabor goalie with a closeup shot. In the second period Tom Collins took the ball out of a mixup in front of the Tabor net and placed the ball beautifully behind the goalie.

In the third period Humphrey Simson made the final count 3 to 0.

GOVERNOR DUMMER GRAPPLERS PIN ROXBURY LATIN BY 23 TO 5 SCORE

The Governor Dummer grapplers overwhelmed Roxbury Latin at Roxbury on February 5 by a 23 to 5 score.

Falls were secured by Captain Les Ackerman, Norton Cushman, and Harry Barr, while Bob Pickett in the unlimited class gained his usual spectacular victory with a one minute toss of his opponent. The only loss was sustained by Grove Potter, who was pinned by his man in the 128 lb. class.

GOLF TEAM HAS TOTAL SCORE MATCHES WITH ANDOVER, EXETER

The Governor Dummer golf team has engaged in two total score meets with Andover and Exeter. In the first match at the Ould Newbury Golf Club on April 26 the Governors came in second with a total of 929. Andover led with 887, and Exeter was third with 939. The lowest score turned in by a Governor Dummer player was Herrick Randall's 88.

The second match at the Exeter Country Club on May 3 was won by Exeter, one of whose players turned in a 75 for the low ball.

NOBLE AND GREENOUGH SCHOOL NINE DEFEATED IN ELEVENTH

A thrilling eleventh inning both defensively and offensively gave the Governor Dummer nine their fourth straight victory as the team defeated Noble and Greenough School 5 to 4 at South Byfield on May 3. With two out in this inning and the score 4 all Noble had a man reach second base. Fuzzy Whittles at shortstop then made a brilliant stop of a clean hit to hold the man at third, and on the next batter Gordon Johndroe, thirdbaseman, knocked down a line smash and threw the runner out at first for the final out. The Governors then proceeded to sew up the game when after one out, Clay Currier singled and was knocked in by Dick Williamson's hit.

NETMEN LOSE TO BROOKS SCHOOL

The Governor Dummer tennis team lost their match to Brooks School 6 to 0. Brooks turned up with a very strong team, particularly in the singles, and their first three men were much too experienced and skillful even to allow the Governors' netmen to run the individual matches to three sets.

In the doubles Brooks continued to hold easily the upper hand.

LACROSSE TEAM TAKES ANDOVER FOR FIRST TIME IN FIVE YEARS

Andover fell before the Governors' lacrosse team 8 to 4 at Whipple Field on May 14. The victory marked the first time that Governor Dummer has defeated Andover in this sport over a period of five years.

At the end of the first period the score was 1 to 1, but early in the second period the Governors turned on the steam and poured in six goals in rapid succession. Andover meanwhile managed to secure only two. In the third period each team made one goal.

MILTON SECURES OVERTIME WIN IN LIVELY HOCKEY ENGAGEMENT

In a thrilling hockey game the Governors dropped a close 3 to 2 decision to a strong Milton Academy team, which, earlier in the season, had played well up in the annual Lake Placid Tournament. The game was played at Milton on February 5.

The Orange and Blue won the victory in the overtime period by pushing in a shot after a wild scramble in front of the goalie.

EXETER OUTSCORES RED AND WHITE COURT SQUAD IN FAST ENCOUNTER

The Governor Dummer basketball team was outplayed by Exeter to the tune of 49 to 33 at Exeter on February 12.

The Exonians jumped off to an early lead, having a 10 to 4 margin at the end of the initial period. They continued to increase their lead in the second stanza until near the very end when the Governors put on a spectacular spurt which garnered them eight points in less than two minutes. The rally was paced by the fine shooting under the basket of captain Bill Abbott. The score at the half stood 22 to 14 in favor of the home team.

The Governors could not repeat this fine performance in the second half, and the faster Exeter quintet constantly caught the Governor Dummer team up the floor.

TRIANGULAR MEET AT MILTON

The Governor Dummer track squad finished third behind Milton Academy and Hackley School in a triangular meet at Milton on May 30. Milton received 66 points, Hackley, 35½, and Governor Dummer, 19½.
